

Summary of Benefits
BlueAdvantage Plus PFFSSM
City of Chattanooga

Section 1

Introduction to the Summary of Benefits for BlueAdvantage Plus PFFS July 1, 2008 – June 30, 2009

Thank you for your interest in BlueAdvantage Plus PFFS. Our plan is offered by BlueCross BlueShield of Tennessee, a Medicare Advantage Private Fee-For-Service organization. This Summary of Benefits tells you some of the features of our plan. It doesn't list every service that we cover, or list every limitation or every exclusion. To get a complete list of our benefits, please call BlueCross BlueShield of Tennessee and ask for the "Evidence of Coverage."

Who is Eligible to Join BlueAdvantage Plus PFFS?

You can join this plan if you are entitled to Medicare Part A and enrolled in Medicare Part B and eligible for your employer's retiree health plan.

Can I Choose My Doctors?

As a member of BlueAdvantage Plus PFFS you can go to any Medicare doctor, specialist, or hospital that accepts Medicare payment and accepts the terms, conditions and payment rate of the BlueCross BlueShield of Tennessee plan. BlueCross BlueShield of Tennessee has the right to determine if the service or treatment ordered by your health care provider is covered under the BlueCross BlueShield of Tennessee plan.

Does My Plan Cover Medicare Part B or Part D Drugs?

This plan does cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

Where Can I Get My Prescriptions If I Join BlueAdvantage Plus PFFS?

BlueAdvantage Plus PFFS has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases. The pharmacies in our network can change at any time. You can ask for a current Pharmacy Network List. Our Customer Service number is listed at the end of this introduction.

What is a Prescription Drug Formulary?

This plan uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you.

If you are currently taking a drug that is not on our formulary or subject to additional requirement or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

How Can I Get Extra Help With Prescription Drug Plan Costs?

If you qualify for extra help with your Medicare prescription drug plan costs, your premium and costs at the pharmacy will be lower. When you join BlueAdvantage Plus PFFS, Medicare will tell us how much extra help you are getting. Then we will let you know the amount of help you will receive. If you are not getting this extra help you can see if you qualify by calling 1-800-Medicare (1-800-633-4227), TTY users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

What Are My Protections in This Plan?

As a member of BlueAdvantage Plus PFFS, you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered.

An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug.

If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision.

Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug.

Please Call BlueCross BlueShield of Tennessee for more information about this plan.

Customer Service Hours:

Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, 8:00 a.m. - 9:00 p.m. Eastern Time. Between March 3 and September 30, you may be required to leave a message on holidays and weekends. Calls will be returned the next business day.

Members should call 1-800-841-7434 for questions related to the Medicare Advantage program. (TTY/TDD 1-888-423-9490)

For more information about Medicare, please call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call 24 hours a day, 7 days a week. Or, visit www.medicare.gov on the web.

If you have special needs, this document may be available in other formats.

Section 2

Summary of Benefits

If you have any questions about this plan's benefits or costs, please contact BlueCross BlueShield of Tennessee.

IMPORTANT INFORMATION

Benefit Category	Original Medicare	BlueAdvantage Plus PFFS
<p>1. Premium and Other Important Information</p>	<p>You pay the Medicare Part B Premium of \$96.40* each month.</p> <p>\$135* yearly Medicare Part B deductible.</p> <p>If a doctor or supplier does not accept assignment, their cost are often higher, which means you pay more.</p>	<p>Please see your Benefits Administrator for your premium information. You also continue to pay the Medicare Part B premium of \$96.40* per month.</p> <p>Balance billing means that a provider may charge and bill you more than the plan's payment amount for services. There is a limit on what providers may charge for Medicare-covered services.</p> <p>Balance billing doesn't count towards your out-of-pocket limit after the deductible is met.</p>
<p>2. Doctor and Hospital Choice</p> <p>(For more information, see Emergency - #15 and Urgently Needed Care - #16.)</p>	<p>You may go to any doctor, specialist or hospital that accepts Medicare.</p>	<p>You may have to pay a separate copay for certain doctor office visits.</p> <p>You may go to any doctor, specialist, or hospital that accepts the plan's payment.</p> <p>See page 14 for more information on doctor and hospital choice.</p>

*This amount is for 2008 and will change on January 1, 2009.

Section 3

Summary of Benefits

How the BlueAdvantage Plus PFFS Plan Works

Selecting a Health Care Provider

With BlueAdvantage Plus PFFS, you are free to seek care from any health care provider that accepts Medicare payments and the terms, conditions and payment rates of our plan. There is no limited provider network. However, you must present your BlueAdvantage Plus PFFS ID card before you receive services. Check with your doctors to see if they accept BlueAdvantage Plus PFFS.

You may also use providers who do not accept the Medicare payment in full from Original Medicare. These providers may charge you more for Medicare-covered services, up to the Medicare Limiting Charge. You will be responsible for these excess charges. In any case, your BlueAdvantage Plus PFFS ID card must be presented before you receive services.

Provider Accepts BlueAdvantage Plus PFFS

If your provider decides to accept BlueAdvantage Plus PFFS, the provider must bill BlueCross BlueShield of Tennessee for those services. As stated above, if your provider does not accept the Medicare payment in full from Original Medicare, you may be charged more for Medicare-covered services, up to the Medicare Limiting Charge. You will be responsible for these excess charges.

Providers have the right to decide if they will accept BlueAdvantage Plus PFFS each time they see you. This is why you must present your BlueAdvantage Plus PFFS member ID card every time you visit a health care provider.

Provider Does Not Accept BlueAdvantage Plus

If providers do not accept your card because the plan is unfamiliar, please ask them to call our provider service line at 1-800-841-7434 or visit www.bcbst.com for more information. A provider can decide at any time not to accept a BlueAdvantage Plus PFFS plan. If this happens, you will need to select another provider.

Important Information about PFFS Plans.

A Medicare Advantage Private Fee-for-Service plan works differently than a Medicare supplement plan. Your doctor or hospital is not required to agree to accept the plan's terms and conditions, and thus may choose not to treat you, with the exception of emergencies. If your doctor or hospital does not agree to accept our payment terms and conditions, they may choose not to provide health care services to you, except in emergencies. Providers can find the plan's terms and conditions on our website at: www.bcbst.com/providers/BenefitHighlights.shtml.

Worldwide Coverage for Urgently Needed Care and Emergency Care

Unlike the Original Medicare plan, you can receive coverage for health care services received while traveling outside of the country. Your coverage is subject to an annual deductible of \$250. Once your deductible has been met, you pay 20 percent of the cost of any services that would have been covered by Medicare. There is an annual payment limit of \$25,000. Coverage is good for 60 days of foreign travel.

Diagnostic Tests, X-rays and Lab Services

You may be required to pay on office visit copay if these services are provided during a doctor's office visit.

Diabetes Monitoring and Testing Supplies

Some diabetic monitoring and testing supplies fall under Medicare Part B coverage and some fall under Medicare Part D coverage. Your BlueAdvantage Plus PFFS plan covers Medicare Part B approved items at 100 percent. Items that are covered under Medicare Part D are subject to your prescription drug copays and benefits.

Medicare Part B Items include insulin pumps and blood glucose self-testing equipment. Examples: glucose monitors, glucose control solutions, test strips, lancets and lancet devices.

Medicare Part D Items include diabetic supplies for administering insulin. Examples: alcohol swabs, needles, syringes, gauze, insulin inhalers and insulin.

To avoid having to pay up front for your Medicare Part B diabetic monitoring and testing supplies, please contact our Customer Service Department for assistance in locating a supplier who has agreed to file these claims electronically. If you use a supplier that is not able to file a claim electronically, you will have to pay for your supplies up front and submit a paper claim for reimbursement.

Transportation Benefit

If you are traveling more than 150 miles from home and become hospitalized, you can receive the following assistance:

- Air ambulance transportation to a hospital close to your home.
- Transportation for your traveling companion.
- In the event of your death, transportation of remains to funeral facility near your home.

Service must be arranged through AirMed International.

Care Management

When you need care, our staff of registered nurses will be there to help coordinate the care that is right for you with your health care providers. Through education, care planning and follow-up phone calls from your care management nurse, you and your family will be able to better manage your health care.

Medical Grievances, Coverage Determination/Exceptions and Appeals Processes

What is a Grievance?

If you have a problem with any of our medical or prescription drug policies and procedures, you may file a grievance. You cannot be dropped from the plan for making a complaint.

What is an Appeal?

If we deny a claim, service or coverage for a prescription drug, we will explain why. If you disagree with our decision regarding the handling of your claim or a denial of a service or prescription drug, you have the right to file an appeal. Your claim will be reviewed again. If we cannot overturn the decision, your appeal will be reviewed by an independent organization that works for Medicare.

Appointing a Representative to Act on Your Behalf

You may assign someone such as a relative, friend, advocate, an attorney or any physician to act as your representative and file an appeal for you. A representative may:

- Obtain information about the enrollee's claim to the extent consistent with current Federal and state law;
- Submit evidence;
- Make statements of fact and law; and
- Make any request, or give or receive any notice about the appeal proceedings.

Both you and your representative must sign, date and complete the Appointment of Representative form found on our Web site. If you want to assign a representative to ask for an appeal for you, this signed form must be filed with your appeal. Unless you decide you no longer want to have a representative, the form will be good for one year after the date you and your representative sign the form. If future appeals are filed during this time, your representative must file a photocopy of the signed representative form for each appeal. If your physician agrees to act as your representative and files an appeal for you, you cannot be charged by your physician for filing the appeal.

How to File a Medical Grievance or Appeal

Call Customer Service to file or check on the status of a medical grievance or appeal
1-800-841-7434
Hearing impaired TTY/TDD: 1-888-423-9490

Pharmacy Grievances, Coverage Determinations and Appeals

What is a grievance?

A grievance is any complaint other than one that involves a coverage determination. You would file a grievance if you have any type of problem with Blue Advantage Plus PFFS or one of our network pharmacies that does not relate to coverage for a prescription drug. You may file a grievance with us either orally or in writing no later than 60 days after the event or incident that precipitates the grievance. We will respond to your grievance within 30 days after receiving your request.

What is a coverage determination?

A coverage determination is a decision whether or not we provide or pay for a Part D drug and what your share of the cost is for the drug. Coverage determinations also include exception requests. These will be reviewed within 72 hours of receiving all the information required to review your request.

What is an appeal?

An appeal is the review of an unfavorable coverage determination. You would file an appeal if you want us to reconsider and change a decision we have made about what Part D prescription drug benefits are covered for you or what we will pay for a prescription drug. You must request an appeal within 60 days from the date of the notice of the coverage determination. Appeals are reviewed and determinations returned within 7 days upon receiving all necessary information.

What if I need my request expedited?

If you or your health care provider believe that waiting for a decision under the standard time frame may place your life, health, or ability to regain maximum function in serious jeopardy, an expedited appeal may be requested. Once all necessary information is received, your request will be reviewed and a determination sent to you and all necessary parties within 24 hours.

How to submit a grievance, coverage determination or appeal

The first step to filing grievance, appeal, or seeking a coverage determination is to call Customer Service.

Notice of Prescription Drug Plan Transition Policy

If you were previously enrolled in a Medicare Part D plan or another prescription drug plan, you may be taking drugs that are not on your new plan's formulary. Or you may be taking drugs that require trying other drugs first (step therapy) or prior authorization. The following transition policy has been developed to help you make a smooth change to a new prescription drug plan.

You may receive a one-time 30-day temporary supply of any non-formulary drug at any time during the first 90 days of your enrollment in the new plan.

If you are refilling a medication covered by your previous prescription drug plan and that medication is not on your new plan's formulary, you will receive up to a 30-day supply to ensure that you do not experience interruption in medically necessary medication therapy or do not inappropriately pay additional cost sharing. A 30-day refill will also be provided for refills of Medicare Part D drugs that are on your new plan's formulary but require prior authorization or step therapy under a plan's utilization management rules.

You may pay a Tier 3 copay for a temporary supply. However, if you qualify for extra help with prescription drug costs, your copay for this temporary supply will not exceed the maximum copay amounts that apply to you.

If you received a temporary supply of a non-formulary medication (including Medicare Part D drugs that are on a plan's formulary but require prior authorization or step therapy), you will be sent notice in writing within three business days of the temporary fill to give you time to talk with your doctor about switching to a therapeutically equivalent medication on your new plan's formulary. The notification may include:

- An explanation of the temporary nature of the transition supply you have received.
- Instructions for working with your plan and your doctor to identify appropriate therapeutic alternatives on the formulary list.
- An explanation of your right to request formulary exception and a description of the procedure to request a formulary exception.

A health plan with a Medicare contract.
