DISCLAIMERS

This document is available in other formats.

BlueAdvantage is a PPO plan with a Medicare contract. Enrollment in BlueAdvantage depends on contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat BlueCross BlueShield of Tennessee members, except in emergency situations. Please call Member Service or see the "Evidence of Coverage" for more information, including the cost-sharing that applies to out-of-network services.

This is a summary of drugs and health services covered by BlueAdvantage Preferred Provider Organization (PPO) Sapphire East & Southeast health plans January 1, 2024 through December 31, 2024.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to our representative at **1-800-292-5146**, TTY **711**.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit bcbstmedicare.com or call 1-800-292-5146, TTY 711, to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- □ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- □ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/ coinsurance may change on January 1, 2025.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- ☐ Effect on Current Coverage: If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
