

## Save Time and Money and Avoid Worry

Now you can make your premium payment without writing a check. Just authorize your bank to make payments automatically through your bank account.

**Save Time.** You won't have to write checks. Your bank automatically deducts or credits your payments from your bank account and you receive a record of payment on your bank statement.

**Save Money.** You will save postage costs by letting your bank handle the monthly payment.

**Avoid Worry.** You won't have to worry about missing a payment, losing your bill or being away from home when the bill comes. Your bank handles the payments for you.

## Questions You May Have About the Automatic Bank Draft System

### + What type of bank account qualifies for the automatic bank draft system?

Any type of account that permits checks or drafts to withdraw funds. It should be a checking or savings account at a bank or a savings and loan institution.

### + What if someone else pays my BlueCross BlueShield of Tennessee premiums?

The person who makes your payment can use the automatic bank draft system by completing the Bank Draft Authorization form on the next page.

### + What if I change banks?

Simply fill out a new authorization form to continue the automatic bank draft withdrawal at your bank. Just let us know about the change, and we will send you a new authorization form. To avoid a disruption in service, please send your request at least 30 days before your payment is due.

### + What if I want to cancel the automatic bank draft service?

Just give us a written notice and we will change your payment method to bill you directly. To avoid a disruption in service, please send your request at least 30 days before your payment is due.
