Once the plan deductible is met, the plan pays one hundred percent (100%) of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

² Plans K and L pay one hundred percent (100%) of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³ Plan N pays one hundred percent (100%) of the Part B coinsurance, except for a co-payment of up to twenty dollars (\$20) for some office visits and up to a fifty dollar (\$50) co-payment for emergency room visits that do not result in an inpatient admission.
